Dedication

Mr. R. L. Jones

In appreciation for dedication to teaching, willingness to guide, and giving of time and interest for the betterment of Gray's Chapel High School and the community which it serves, we gratefully dedicate the 1962 edition of "Chapel Memories" to Mrs. Jackie Lewis and Mr. R. L. Jones.

Resolution Honors Late W. J. Boger, Jr.

"BE IT RESOLVED by the Randolph County Board of Education as follows, In the passing of William J. Boger, Jr., we have lost an outstanding educator and school administrator. The loss is not entirely ours — for the county and the state and the profession which was so dear to him will long remember his untiring efforts, his painstaking work and his supreme devotion to the cause of public education.

"The power and effect of his efforts to improve public education did not end with his passing from our midst, and it is our conviction that the school children for years to come will reap the rewards of his labors and will move to the measure of his high standard of values.

"His character, integrity, his devotion to right and his distaste of all that was wrong, his loyalty to his church, and its faith, his sympathetic understanding and his wise counsel will be a challenge to all men who devote themselves to the cause of public education, public enlightenment, and good citizenship.

In Memorial

Mrs. Kathleen Redding

Her hand reached out and
Helped to guide the little ones.
She really tried to help them
Grow from day to day,
More fit to walk
Along life's way.

And though our dear teacher,
Helper, and friend has walked on
To her journey's end,
Her memory lingers, long to glow
Within the hearts who loved her so.

Christine Brady

You are not forgotten loved one,
Nor will you ever be.
As long as life and memory last,
We will remember thee.

We miss you now; our hearts are sore.
As time goes by, we miss you more,
Your loving smile, your gentle face.
No one can fill your vacant place.

ADMINISTRATION

Principal

Mr. Otus C. Thomas

Thank you, Mr. Thomas, for your advice and guidance. As we saw our school grow, we saw, also, the steady growth of your understanding. This unfailing help has made our adolescent years more stable as we have added link after link to the chain of our lives.

Foreword

In 1925, a cornerstone of a building was laid. This building has since become an integral part of our community and the surrounding area. In 1939, 50, 52, and 56, new additions were necessary to accomodate the growing student body. Again in 1961, more was added--a gymnasium, cafeteria, and library. Our history is not complete, however, without mentioning the young men and women that Gray's Chapel has produced throughout the years. Every one of these will always attribute a large part of his success to those years spent at "Chapel High," where aided by his principal, teachers, and fellow students, he laid his foundation for the future.

In this edition of "Chapel Memories," we have endeavored to portray the most important aspects of the 1961-1962 school year in our new and old, but always beloved, Gray's Chapel School.

Class History

In the fall of 1950, 34 young, but willing to learn children, entered the first grade at Gray's Chapel School. Now, in the spring of 1962, that class is preparing to leave the protection of the "Halls of Chapel". Of the original class 16 will be among the 28 graduates.

We gained many friends, but we also lost some along the way. Some only added in number; but others gave of themselves, leaving their mark in our class history and in many of our hearts. Soon we shall leave the place which has been our home for 12 years--12 years of joy, sadness, and success. We shall go our separate ways, some never to meet again.

The "Halls of Chapel" have sheltered us from many of Life's storms. Now these halls will be removed, exposing us to the storms. But we are not worried. For while these halls were protecting us, we were learning to stand up against the blast of the storm. We may fall a few times, but only to rise again higher than before.

Life is a challenge to each of us. We shall accept this challenge and shall come out as the winners.

Class Prophecy

Funny how times go by so quickly, isn't it? Years have passed, and our classmates have seen many changes in themselves and others. Let's see what Father Time has done for them:

I see J. W. Kirkman back at Gray's Chapel High School teaching biology. He is also coaching the boys' basketball team.
Mabel Gooch, after completing a commercial course, is employed as secretary for a large insurance firm in Greensboro.
Cecil Hall is now a well-known comedian on television from coast-to-coast.
Phil Andrew now has a television program, "Sing Along With Phil".
Phillip Cox is now playing third base for the New York Yankees.
Ann Ellis is still soaring high above the clouds. She is an airline hostess for the Eastern Airline Company.
Dewery Hodgkin, the boy voted "friendliest" by his classmates, is a traveling salesman.
R. P. Routh had just won the big race at Daytona Beach the last I heard from him. In his spare time he still operates the "Routh Garage".
Fred Cox is now happily married to his high school girl friend. He is very content being a farmer.
Wayne Coward always did like farming. He is now our county agricultural agent.
Irene Brady is now the director of nurses in our own Randolph Memorial Hospital.
Fred Lineberry now operates a truck stop in Liberty called "Linda's".
Gilbert Jarrell is a well known scientist at the University of California. Just the other day he discovered the 106th element.
Arnold Trogdon has a program on television, "Arnold and His Detectives". It has put Perry Mason out of business.
Susie Allred has taken up skin-diving since graduation. You just might see Sue and her husband sometimes on T.V.
Jimmy Boyd always was interested in the welfare of younger boys. He is president of the Boys' Club of America.
Tommy Parris is now running a used car lot at Millboro called "Parris's Used Cars".
Edna Walker is happily married and is very content just being a housewife.
Joye Lineberry found out that her shorthand and typing paid off. She is now taking dictation from a Mr. Coley.
Jim Richardson, despite all his troubles on Bus 38, is now driving a Greyhound Bus.
Pat Williamson is happily married and very content keeping house and raising a family.
Linda Beck is working in an office in Asheboro.
Margaret Nixon, married soon after graduation, is content traveling in the Army with her husband.
Brenda Routh is now operating a small grocery store about 1 1/2 miles from Gray's Chapel.
Dallene Shelar joined the Wacs soon after graduation. She is married now though.
Brenda Trotter has the man of her dreams at her home now. She really likes the task of raising a family.
Faye Williams has a program on T. V. each evening called, "Faye's Bedtime Stories".
Jean Pugh, as you must know, has won honors all over the nation in beauty contests.

Last Will and Testament

We, the Senior Class of 1962, being of sound minds and good intentions, do hereby, willingly and happily, bequeath our talents and possessions to those who may need them. We do hereby declare this our last will and testament.

- I, Wayne Coward, will my senior year troubles and bus 43 to Wallace Fields.
- I, Margaret Nixon, will my quietness and typewriter to anyone who wants them.
- I, Pat Williamson, will my superlative, "Most Dependable", to Mary Lou Fields, and I hope that she will live up to it.
- I, Ann Ellis, do hereby leave my position of selling ice cream to anyone who wants to go crazy fast.
- I, Edna Walker McDowell, leave my ability to see something funny in something that isn't, to anyone who can enjoy it and get as many laughs from it as Joye and I did.
- I, Jean Pugh, will my world geography book to Mr. Bortner since I think he needs it more than I do.
- I, Faye Williams, will my superlative, "Most Courteous", to Pat Buckner; also, my world geography book to anyone who wants the thing.
- I, Joye Lineberry, will my typewriter to the nearest junkyard.
- I, Irene Brady, will to Larry Pennington my ability to get along with Miss Neece, to Patsy Kinley I leave my chemistry book, and to Tom Brady I will my love for school.
- I, Drewery Hodgins, will my seat in chemistry to anyone dumb enough to accept it.
- I, Cecil Hall, will my ability to get out of work in agriculture to Gary Shelar, who seems to get stuck with my part every time.
- I, Jimmy Boyd, leave to Larry Gunn my ability to get in trouble in Miss Neece's class; and may he use it in bad health.
- I, Arnold Trogon, leave my ability to get along with Mr. York to Sammy Routh and hope that he does better than Danny Lovell and I.
- I, Fred Cox, will my ability to be late to Linda Cox, who should be on time next year because she will ride the bus.
- I, Mabel Gooch, will my ability to play basketball to anyone who is not on the team.
- I, Linda Beck, will my shorthand book to anyone who hasn't got any more sense than to take it.
- I, Tommy Parris, will Gary Shelar my ability to see. It seems that Gary can't tell a '57 Ford from an activity bus.
- I, Dallene Shelar, will my long eyelashes to Jo Ellen Yow because she has always liked them so much.
- I, Brenda Trotter, will my ability to be quiet to anyone who wants it.
- I, Brenda Routh, will my English book to anyone who wants it.
- I, Susie Allred, will my chief cheerleader's skirt to Brenda Jarrett in hope that she will make good use of it next year.
- I, Gilbert Jarrell, leave my space in the library to anyone who can use it as much as I did.
- I, Fred Lineberry, will bus 40 to any future driver who thinks he can do a better job of hitting side ditches than I did.
- I, R. P. Routh, will bus 37 to anyone who thinks he can be on time every morning even though I seldom ever was.
- I, Phillip Cox, will my superlative, "Quietest", to Richard Kime.
- I, Phil Andrew, will my red hair to Mr. Thomas because it is better than nothing.
- I, Jim Richardson, will my chemistry book to Mr. Thomas since Mrs. Morrow gave it to me by mistake.
- I, J. W. Kirkman, will my beat-up chemistry book to anyone with little enough sense to take it.

GENERAL MERCHANDISE

"Always Close to the School"

My compliments and my very best wishes to the students and the faculty of Gray's Chapel High School. My fondest ambitions are to see Gray's Chapel High School continue to prosper and to grow in influence and service to our community, her students study and work diligently, and her graduates use wisely and well the principles taught at "Chapel". To this end may we all strive TOGETHER.

R. H. Underwood
